NOTE FOR: See Distribution

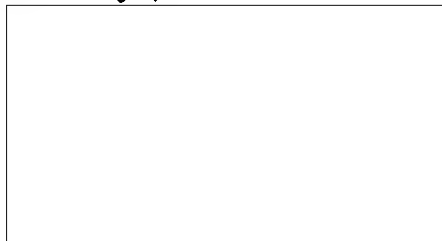

FROM: Herbert E. Meyer
Vice Chairman, NIC

SUBJECT: NIC Production Plan Update

Attached is the regular quarterly draft update on the NIC Production Plan to cover the period from 1 May 1984 - 31 March 1985.

I would welcome your comments and suggestions. Please make direct contact with the Principal Officer listed for specific comments on any paper. Comments on an entire section of the Plan or the Plan as a whole should be addressed to me.

Inasmuch as we want to circulate the Plan to NFIB members and policy officers as soon as possible, may I ask that you get your comments to us no later than COB Friday, 1 June 1984. (No negative responses necessary.)
